Cybersecurity Professional & Director – Cyber Analysis Directorate

PROFILE

Cybersecurity professional with extensive expertise in incident response, malware analysis, and digital forensics. Director of the Cyber Analysis Directorate and **hands-on technical director leading national-level incident investigations since 2022**, conducting masterclass-level operations against state-sponsored APTs from **Iran, Russia**, and other threat groups. Certified CEH Master, CCISO, OSTH, ISO 27001 Lead Auditor. **Technical Lead – NATO Cyber Coalition & Locked Shields 2024–2025–2026.**

- **1ST Place – Global Cyber Drill GISEC 2024 (108 countries)**
- **1ST Place – Western Balkans Live-Fire Cybersecurity Exercise 2025**
- **1ST Place – Western Balkans Cyber Drill**

WORK EXPERIENCE

Principal Consultant Cyber Security

Axiom Breach

June 2024 – Present

- Adversary simulation, penetration testing, advanced TTPs, threat intelligence, threat hunting, and incident response.

Head of Cyber Security Analysis / Director

National Authority for Cyber Security – Tirana, Albania

July 2024 – Present

- Hands-on technical director leading national incident investigations against state-sponsored APTs (Iran, Russia).
- Directed Threat Intelligence operations; coordinated NATO cyber exercises as Technical Lead (Cyber Coalition & Locked Shields 2024–2025–2026).
- Implemented NSOC and CSIRT Albania with ELK, Security Onion, Wazuh, MISP, Microsoft Azure and Sentinel.
- Trainer of the Trainers – Western Balkans Critical Infrastructure Operators.

Head of Malware Analysis & Digital Forensics (Purple Team)

National Authority for Cyber Security – Tirana, Albania

April 2023 – July 2024

- Led national-level incident investigations, identifying sources, TTPs, and preventing future attacks.
- Directed Purple Team adversary simulation exercises; conducted advanced malware analysis and forensics.

Cybersecurity Trainer

Protik | CyberTiranaAL3 Program

Sep 2023 – June 2024

- Delivered CTFs and cyber drills covering OSINT, Social Engineering, SIEM/EDR, Advanced Pentesting, and Web Application Pentesting.

Incident Response Specialist

National Authority for Cyber Security – Tirana, Albania

July 2019 – April 2023

- Monitored, analyzed, and responded to cyber threats; conducted ISO/IEC 27001 audits on Critical Infrastructure.

TECHNICAL SKILLS & PLATFORMS

CTI / OSINT / Dark Web

SocRadar, Recorded Future, SpiderSilk, ReSecurity, Thinkst Attack Surface, Google Threat Intelligence, VirusTotal Premium, BAE CTI, MISP CTI, CVE Intelligence, Dark Web Investigation, Bitcoin Tracking

XDR / EDR

Microsoft Defender for Endpoint (MDE), SentinelOne, Trend Micro, Cortex XDR (Palo Alto), Cybereason, CrowdStrike Falcon

SIEM

Elastic/ELK Stack, Splunk, Wazuh, Microsoft Sentinel, Security Onion

Digital Forensics

Magnet Axiom Cyber, FTK (Forensic Toolkit), Autopsy, Eric Zimmerman Tools, Volatility

Malware Analysis

FlareVM, SANS508, x64dbg, IDA Pro, Ghidra, Cuckoo Sandbox, Any.Run, REMnux, MISP, OpenCTI

Frameworks

MITRE ATT&CK, Kill Chain, NIST, ISO/IEC 27001, Purple/Red/Blue Team, ICS/OT Security

EDUCATION

Master's Degree – Information and Communication Technology

University of Tirana | 2018–2020

Bachelor's Degree – Information and Communication Technology

University of Tirana | 2015–2018

CERTIFICATIONS

- CEH Master – EC-Council
- CCISO – EC-Council (ECC3296470851)
- OSTH – Offensive Security (139732112)
- CTIA v2 – EC-Council (ECC9670528134)
- ECIH – EC-Council (ECC8567940312)
- CHFI – EC-Council (ECC3601745982)
- CompTIA Security+ (COMP00122143091)
- ISO/IEC 27001 Lead Auditor – PECB (ISLA1123395-2024-02)
- ICS Cybersecurity Lab 301L – CISA
